Dear Prayer Partners,

**CHURCH PLANTING and EVANGELISM:** A lot has happened in the last month. Our house here in Mt. Pleasant is under contract and we hope to close on January 28. The Lord led us to a nice house in Santaquin and we hope to close on it January 29. Pray both will happen if this is the Lord's will. Continue to pray for the contacts we have and for souls to be saved. Keep praying for Shane and two other new Bible college students that have enrolled in RMBC. Pray the Lord will use us in the lives of others for His glory as we teach a one-week module on Pneumatology over in Elko in a couple weeks. Pray for our coworker Wes Clem and family, as his wife Joanne went to be with the Lord last Sunday.

We thank the Lord for one copy of *Great Hymns of the Faith* we received. I guess hardly anyone has any left. We still like this hymnal and would like to use it for awhile. If you would like to help, we can order new ones for about \$11 apiece from Amazon (which includes postage). We only need about 30, so let us know if the Lord leads.

**FAMILY:** We were able to get together with our children and grandchildren around Christmas. We just praise the Lord that they love Him and are serving Him faithfully. As Neva and I get older, we need your continued prayers for strength and wisdom in the work. What a privilege it is to serve the King of Kings and Lord of Lords. Pray we'll remain faithful and fruitful for Him.

**CAMP:** Keep praying the US Forest Service will give their approval for the easement to run the electric line up to Camp. This won't happen until they examine our plan on the ground after the thaw in May or June (depending on global warming). Keep praying for our Camp Director Jarrod as he plans the program and lines up staff and speakers for next summer.

**NEWS of Interest About MORMONISM:** Mormons celebrate Christmas on December 25, but have been told by their leaders that he was actually born on April 6 (which coincides with the date Joseph Smith organized the LDS Church). **Pray** for Mormons to turn from their false prophets and gods and trust in the Christ of the Bible alone for salvation before it is too late. **THANK YOU** so much for your continued prayers and support. **Yours in Christ for Souls in Utah,**
