ABWE-NA

Norm & Evelyn

FEBRUARY 2010

NEWS AND PRAYER REQUESTS

Rob and Aly Cupps, serving in LA, are currently in Peru. Her mother and aunt are having serious health problems. **Aly** is also struggling with many difficult issues. Please **PRAY** for them as they make some very important decisions in their lives and ministry.

John and Roberta Stevenson are in the process of choosing their next Church Strengthening ministry. If you know of a struggling church please contact me. **PRAY** as they visit and evaluate various church locations.

Jim and Carol Garcines are working in Sacramento, CA. **PRAY** as a storm destroyed the building they were using to hold services.

My son, Michael, was recently thrown off his horse and almost broke his neck. Thank God he was wearing his helmet and was spared from that.

He lost some front teeth and suffered much trauma to his neck and head but is now well on his way to recovery.

Do **PRAY** for him and his wife, Ona, as they run their computer consultant firm from their home in Connecticut while he is recovering. He is in good spirits and plans to continue riding when he is able.

Jesse and Tena Luper are finding the ministry almost impossible among the First Nations Indian population in Vancouver, BC. The ingrained welfare system, multiple vices, lack of jobs and broken family structures leads to many family and social problems. **PRAY** as they seek to love and win this important unreached people group.

Ann Den Uyl continues to reach out to the new foreign students on the Iowa campus. These are challenging times for her and the students she is winning and teaching. **PRAY** for fruit that remains.

AUGUST 25, 2011

If you see **AUGUST 25, 2011** above nod your head **YES!**

If you see **AUGUST 25, 2010** then call your eye doctor **NOW!**

On August 25, **2011** I will turn **70**. Wow, that sounds young to me!

I was named Norman, after Norman Hirschy, the pastor of the First Baptist Church of Evans City, PA. During the summers he would hold tent meeting and then if possible he would organize a new church. My folks were saved in one of those meetings in 1934.

When I was saved in 1960, he asked me to participate in some tent meetings with him that helped start Bible Baptist Church, Cranberry, PA. It has been one of my supporting churches since 1968. That is where the Lord put church planting in my heart.

I will officially retire from ABWE when I turn **70**. By that time Dr. Loftis will have chosen the new leader for ABWE-NA. I might continue to serve part-time with ABWE as needed.

God has been so good to me during these many years of missionary work in São Paulo, Brazil and North America with ABWE-NA.

The reason I am writing about this now is to make clear my future plans. Some thought I was leaving this summer. I am looking forward to these next 18 months. **PRAY** as we plan for the future!
